LOUISA, LAWRENCE COUNTY, KENTUCKY, MAY 20, 1904.

M. F. CONLEY, Publisher

VOL. XIX. NO. 38.

## Paintsville.

W. F. Dudley, of Carlisle, was here the first of the week.

Henry Preston, of Louisa, was here Monday.

Mrs. A. P. Atkinson, of Salversville, is here the guest of Mrs. L. E. Preston.

H. H. Bond, the monumental dealer, of Georgia Creek, transacted business here this week.

Dr. Dave Osborn, the well known preacher, doctor and politician, was here from Layneville the first of the week.

Joe Conley fell from the top of the new residence he is constructing in the East end this morning and broke his arm in several places.

Cyrus Preston, formerly of this city but now of Castletown, has organized a company and will operate a big flouring mill at Ironton, Ohio.

Chas. A. Kirk has disposed of his grocery store to a number of Syrians and will devote his entire attention to his paper.

R. V. Nickell and W. H. Stone have purchased the James Preston grocery. They are both husbands and no doubt will command a good trade.

John C. Brown was elected trustee for the Paintsville graded Free School district Saturday. Prof. John B. Wheatley, of this city, will be employed as principal of the school.

The case of Mrs. Jane Hayes vs. John Dixon, seeking to set aside the deed to the Hayes property on Main street, which the former had made to the latter, was compromised Tuesday, Dixon paying Mrs. Hayes \$400 in full settlement of her claim. Dixon then conveyed the property to John W. Wheeler, receiving \$1,200 for same.

E. C. Means, of Ashland, has filed suit in the Johnson Circuit Court seeking to foreclose a mortgage he has on the Martin Preston property on Main street. The property was mortgaged by South G. Preston to secure the payment of a \$800 loan. Mrs. Rachel Preston now occupies the property and has a dower right in it.

Ernest Vanhous, son of Harry Vanhous, of Mingo, died at his home at Ceredo, W. Va., Saturday morning. Typhoid fever caused his death. He was married a month ago to a Miss Brown, of Ceredo. The deceased was about 23 years of age and was a soldier in the late Spanish-American war. His first wife was Miss Mary Rice, daughter of Payne Rice, of this city. She died of typhoid a month after her marriage.

Their many friends will be happily surprised to learn that Mr. Charles Fischer and Miss Lizzie Perry, of this city are soon to wed. The exact date of this happy event has not as yet been announced, but the knowing ones tell us it will occur in about two weeks. Immediately after the marriage they will take quite an extended wedding trip, visiting the St. Louis World's Fair before returning.

Mr. Fischer is the senior member of the popular mercantile firm of Fischer & Preston and has made many friends since coming to Paintsville. Miss Perry is a daughter of George C. Perry, of Williamsport, formerly clerk of the Johnson County Court. She is one of our most popular and highly esteemed young ladies.

When the Sap Rises.

Weak lungs should be careful. Coughs and colds are dangerous. One Minute Cough Cure cures coughs and colds and gives strength to the lungs. Mrs. G. E. Fenner, of Marion, Ind., says, "I suffered with a cough until I run down in weight from 145 to 92 lbs. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by Louisa Drug Co.

Eugene F. Ware, Commissioner of Pensions, who only the other day celebrated the second anniversary of his appointment, has handed his resignation to President Roosevelt, to take effect at the latter's pleasure.

It was learned to day that the President had had the resignation for some time and has been urging Mr. Ware to remain in office until after the November election. Mr. Ware is anxious to get back to Kansas, and the President had known of this desire a long time before Mr. Ware's formal resignation was handed to him. It is understood that recently the Commissioner of Pensions has been insistent that the President accept his resignation and that the President has been trying to bring about a change of mind on Mr. Ware's part. Mr. Roosevelt does not want to have a vacancy at the head of the pension office just at this time, when the necessity for the appointment of a commissioner would, of course, bring strong pressure upon him from the G. A. R., and he has not yet given up hope that the present incumbent can be induced to remain until after the election.—St. Louis Democrat.

Ladies and Children.

Who can not stand the shocking strain of laxative syrup and cathartic pills are especially fond of Little Early Risers. All persons who find it necessary to take a liver medicine should try these easy pills, and compare the agreeably pleasant and strengthening effect with the nauseating and weakening conditions following the use of other remedies. Little Early Risers cure biliousness, constipation, sick headache, jaundice, malaria and liver troubles. Sold by Louisa Drug Co.

A Starting Test.

To save a life Dr. T. G. Merritt, of No. Metopary, Pa., made a startling test resulting in a wonderful cure. He writes: "A patient was attacked with violent colic caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles and I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at A. M. Hughes.

The uglier a man is the more he is compelled to flirt in order to make a showing in his love affairs.

A Revelation.

If you will make inquiry it will be a revelation to you how many succumb to kidney or bladder troubles in one form or another. If the patient is not beyond medical aid, Foley's Kidney Cure will cure it. It never disappoints. Sold by Louisa Drug Co.
